

ONE DAY, SON,  
THIS WILL ALL  
BE YOURS...

This story began long before you.

And will continue long after you

But, for now, this story is yours to shape.

This is story of humanity

and of the earth we inhabit

This is our declaration of inter-dependance  
our commitment to honour the rights of all people,  
everywhere...

to protect the planet, our common home  
to create shared prosperity, to strengthen the universal  
peace.

And free the world from fear and violence,  
to work together in partnership  
so that no one is left behind

We will free human race from the tyranny of poverty

We will heal and safeguard our planet for all generations

And shift our world to a sustainable path.

As we embark on this collective journey, we pledge to include  
every human

So we gather, we build, we write, we create, we imagine, we  
collaborate, we dream, we play, we speak, we work, we  
share, we love.

This is the story you are shaping.
